BRINGING YOUR TEAM TOGETHER

Escape Hunting is the ultimate team sport.
You can only escape if you work together.

We love the idea of bringing people together
through the power of entertainment. We want
to give people the opportunity to share new
experiences together and to discover new
things about each other.

ESCAPE HUNT

WHAT IS ESCAPE HUNT?

Escape Hunt is a real-life escape game concept.

Teams of 3-6 are 'locked' inside a room and must explore, solve riddles and crack clues to escape.

There is no strenuous physical activity involved. All you need is a healthy, working brain.

Players need to be observant and use critical thinking skills to solve challenges and riddles.

Games are challenging, but can be solved with good teamwork, observation, problem-solving and communication skills.

REMOTE DIGITAL ADVENTURES

If you are not able to come to us in West End we can host a digital adventure for your crew to play from their desk.

Playing from anywhere, players dial into a Zoom call to meet their game master who will facilitate a 45, 60 or 90 min escape game experience.

It's the same thrill and excitement for teams who are geographically distanced.

HOW DO YOU ESCAPE HUNT?

1 STEP INTO A NEW WORLD

Assemble your best team of Escape Hunters. It's just you, four walls, the ceiling and the floor. The lock clicks, the clock ticks, time is of the essence.

2 GET LOCKED IN AND CLUED UP

Use your eyes, ears and wits to find hints, crack the clues and complete your mission before time runs out.

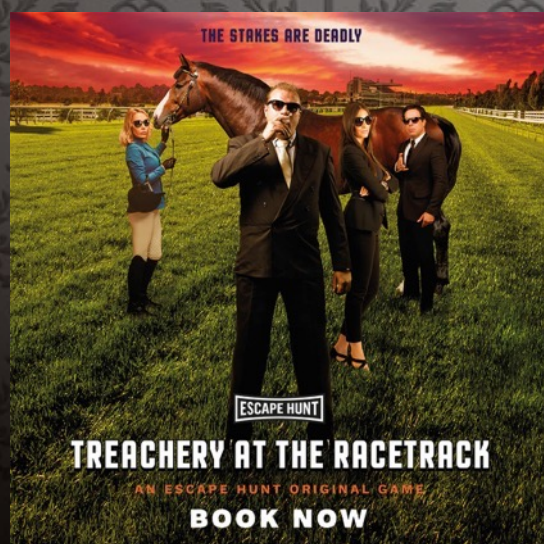

3 BEAT THE CLOCK AND BREAK OUT!

You've got 60 minutes to escape! And if you don't? There's there's always next time!
